

IUPAP Young Scientist Prize in Optics 2020

<http://e-ico.org/activities/awards#iupap>

Rules applicable to the IUPAP Young Scientist Prize in Optics: IUPAP Young Scientist Medal:

The IUPAP prize in optics will be awarded annually through ICO to a scientist who has made noteworthy contributions to applied optics and photonics during a maximum of 8 years of research experience after having earned a PhD degree. Career interruptions will not be counted as time of research experience.

The Prize includes:

The IUPAP Young Scientist Medal with the name and discipline (optics) of the awardee engraved on the back.
A citation.
A 1000€ award as established by IUPAP.

Do you know talented researchers?

If you know of any or have talented researchers in your team, that are eligible to such a prize, then please submit a nomination letter to:
Adrian Podoleanu, IUPAP Young Scientist Prize in Optics, ICO Committee Chair,
A.G.H.Podoleanu@kent.ac.uk
School of Physical Sciences, Ingram 301, University of Kent, Canterbury, CT2 7NH, UK
Deadline: 15th April.

Contact information:

Please feel also free to forward this leaflet to other colleagues. In case of any open questions please contact Adrian Podoleanu as per address above.
